

Arm Curl Machine

1. Seated Arm Curl
2. High quality frame & cushioning seats,
3. High Adjustable seat
4. Tube size: 100X50X2.5mm

Arms curls workouts have never been so quick and efficient. The fully adjustable system can be easily accommodating any user. By working out on this machine more strain and stress is given on the biceps, which leads to proper development of the muscles. Weights can be increased or decreased as per the user capability
